To Whom It May Concern

RE: Selano Chiropractic Center

I have known and used Jeff Selano for my family and my staff's chiropractic needs for 25 plus years.

He has provided us with a mobile chiropractic service enabling us to stay healthy and lose less time from work. It impressed me and my staff that the mobile service came to us instead of us having to make appointments at the office and face possible wait times once we got there. He came to the office and set up and anyone that needed him was adjusted in the office.

His cash price was very reasonable and a little better than our copay would have been.

We have supported his business and referred a lot of people to him. I wish the medical profession would be as forward looking as Dr. Selano. A mobile medical service could help a lot of people.

We really miss him, but we understand his desire to move to Colorado. You are very lucky to have his services available to you.

If you have any questions, please feel free to call me.

Sincerely,

Terry Dobbins

President
