

Higher Standards for Parents Who
Care

West Georgia Children's Academy

PO Box 315
Dallas, GA 30132

To whom it may concern,

20th September 2017

We have enjoyed Dr. Selano's care for many years here at our daycares. With over 100 employees who can't really take time off of work during the day it was great to have a chiropractic doctor come to us. Our work is very stressful at times and can be pretty physically demanding. Allowing our girls to feel appreciated and to have someone make this kind of a house call once a week was a life saver. I hope you will give serious consideration to having Dr. Selano help your employees too.

Sincerely,

Natalie Thomason

Regional Director, WGCA
